

**NYU****SCHOOL OF GLOBAL
PUBLIC HEALTH****Public Health Nutrition Requirements Checklist**

(for students who matriculated in Fall 2019 or later)

Student Name: _____

Student ID: N _____

NOTE: Students should use this checklist as a tool to ensure they stay on track and to be aware of what to take each semester. Unless otherwise advised by their Student Affairs Program Advisor or Faculty Mentor, full-time students should follow the sequence below to ensure they stay on track. Part-time students should follow the sequence on page 2 of this document and work with their Student Affairs Program Advisor for further advisement. Courses below are marked to indicate the semesters in which they are offered (F = Fall, S = Spring). Please be aware that some core courses are only offered online in the Spring. To inform your elective course selection, be sure to pay special attention pre-requisites in order to properly plan. Students are encouraged to use our website as a resource and below are 3 helpful links:
